### **LAYOUT DESIGN & QUESTIONARE**

**Describe Your Operating Needs** 

#### PLEASE NOTE

In effort to ensure your project is exactly what you want, please provide us a rough sketch of your space. Please include measurement of entrance, doors or any other obstacles to be included in your space. Your dimensions will enable us to design the layout of your dreams in the space you have available.

Once you have completed the sketch you can either scan or fax the sketch back to us. Our fax number is: 859-577-5007

Our email address is: theaergroup@yahoo.com

Thank you for taking a moment to complete our questionnaire. We feel that this document is imperative in beginning the foundation of building your model railroad layout. Should you have any additional questions or concerns we ask that you contact us at your earliest convenience at 859-577-5007.

Thank you for the opportunity and we look forward to working with you.
